

February Field Trip

Lutherlyn Environmental Education Program

Friday Feb. 25
Will be leaving the school at 9:00

Students will learn about maple trees, maple tree tapping, and the process involved in making maple syrup. They will also get to tap their own maple tree.

Lutherlyn is located in Butler (about an hour van ride) Students are allowed to bring electronics/appropriate games for the van ride. TCCA, our staff, or volunteers cannot be held responsible for anything the students bring

What to Bring:

- Snack for the van ride up
- Water bottle
- Extra socks and shoes
- Plastic bag (for muddy socks & boots)

What to Wear

- Dress for the weather in layers (we'll be outside)
- Sock and boots
- Raincoat or hat & gloves (depending on the weather)

Lunch will be provided

Don't forget to send your \$10.00 for the trip
