

September 27, 2021

Dear Pastor/Administrator:

It is my joy to congratulate your students and staff for the achievement of Model Status. It is an honor to recognize and commend your dedication and commitment to spiritual and academic excellence in Christian education. Enclosed is your Model Status certificate.

Christian education, training the children daily to know and love God, is a Bible command (Deuteronomy 6: 4-9). As you provide a Biblically based character-building education for your students, you are assisting the parents in fulfilling His instruction. May I challenge you and your staff to continue with the high standards you have exhibited in attaining Model Status.

Thank you for the privilege of laboring beside you and the parents that have entrusted their children to your ministry in Christian education. It is my prayer that together we will continue "Reaching the World for Christ...One Child at a Time"

In His Service, for the Glory of God,

Steve Ballinger
Executive Director
Marketing Advancement
