March 2023 Parent Newsletter

Dear Parents,

Another year is moving quickly by. We're already at week 7 of the 3rd quarter and RSC, Regional Student Convention, is right around the corner. This year's RSC is April 17th thru 21st. At RSC, students 13 years old and up are able to compete against students from other schools in our region. Our region includes, Pennsylvania, Maryland, Delaware, and New Jersey. The students compete in any one of over 180 different categories including academics, art, photography, needle and thread, athletics, color guard/flags, music and platform events. Keep the students in prayer as they prepare for this year's competition

We have a lot planned for this month's upcoming TCCA Sunday. The students heading to RSC will be sharing with the congregation some of what they'll be competing in. DJ will be reciting a famous speech by Patrick Henry. DJ, Adeline, and Gage will be doing a one act play on Jesus and Pontius Pilate, and all of the students are going to sing and sign the song Waymaker with the congregation.

This month's fundraiser is a meat loaf luncheon after the morning service on TCCA Sunday. **We need volunteers who would make a meatloaf or two for the fundraiser. We need to make 12-3lb meatloaves and 30 pounds of mashed potatoes for it. TCCA will provide or reimburse you for the supplies. When everyone helps share the load it's a lot easier to carry.**
